"Serving Public Employees
Throughout Wisconsin"

Happy Holidays LAW Members

I wanted to send this to each one of you that puts on your uniform daily. The Staff and I are so appreciative of the honor and service you provide to us and everyone without asking for anything in return. In 2016, the way the media portrays your profession is unfair and extremely biased. Your job is hard enough without the negative impact the media portrays. If they would spend one day with you, they would see the real dedication and service you provide to everyone. Stay positive and stay strong!

On a positive note, I wanted to take a moment to wish all you and your families a Happy Holiday season. Because of you, LAW is where it is at and we continue to grow. Without your support and positive recommendations to other groups about LAW, LAW would not be where it is. We continue to grow I am happy to report that the State of LAW is as strong as ever. I owe it to all of you with your continued support!

2017 is looking better than ever because of your support! If there is anything we can do, please do not hesitate to contact us.

Be Safe!

RUSK COUNTY SHERIFF'S DEPUTY, DAN GLAZE

Deputy Sheriff Dan Glaze was shot and killed while investigating a suspicious vehicle at approximately 11:00 pm, Saturday, October 29, 2016.

He had arrived at the scene and located the vehicle in a field. He radioed in a description of the vehicle but did not respond to additional radio traffic or calls to his cell phone. Responding units found him inside his patrol car suffering from a gunshot wound.

A suspect was identified and located at his home approximately 11 hours later. The man fired at deputies from the residence before being taken into custody.

Deputy Glaze had served with the Rusk County Sheriff's Office for 18 months and had served in law enforcement for seven years.

LAW would ask that you please keep the family of the fallen officer and the men and women of the Rusk County Sheriff's Department in your prayers. Thank you.

***"REST IN PEACE BROTHER, YOU WILL ALWAYS BE
REMEMBERED."***

THANK YOU, TO ALL OF YOU IN LAW ENFORCEMENT.

It's been a very rough year for those of you who work to protect us. In the wake of the recent tragedies, police officers have not received the gratitude and thanks they deserve. Thank you for putting the communities you serve above your family. Thank you for risking your life for ours. Most importantly, thank you for doing a job most of us couldn't do. It takes a strong and brave person to deal with the things you do on a daily basis. Thank you for making that choice to protect and serve. Thank you for keeping us safe.
